Dean Faculty of Information Technology/Computer Science/Engineering/Geoscience

Dear Sir/Madam,

ExxonMobil is pleased to invite your university to participate in the DataWorks Challenge 2026, to be held at ExxonMobil's Kuala Lumpur office.

This year marks the third edition of DataWorks, reflecting our continued commitment to developing future-ready talent in data, analytics and AI. As digital capabilities continue to shape industry transformation, DataWorks provides a practical platform for students to apply technical knowledge to real-world datasets and present impactful, practical solutions.

DataWorks Challenge 2026 information

1. Participation
    - Each university may register one or more teams.
    - Each team should comprise of four Malaysian undergraduate students only.
2. Challenge scope
